

AMAN FACTORY FOR ALARM EQUIPS. CO. (LLC)

شركة مصنع الأمان لأجهزة الإنذار والتحذير (ذ.م.م.)

COMPANY PROFILE

About us

At the beginning of 1988 was the start. Where we established a company specialized in the field of public safety and outdoor mass notification systems. We then expanded to a special section for the conversion of law enforcement vehicles and other special vehicles.

In 1992, we faced a major challenge in the security demand. In response to this we were able to develop the capability to armor vehicles, guard houses and CITs locally.

With the increasing market demand, we added special sections for manufacturing and assembling hydraulic wreckers.

For over 30 years, we have been able to secure a high profile position in the field of public security and safety. Aman factory for Alarms Equip Co. is one of the leading Saudi companies in its field in the kingdom of Saudi Arabia.

من نحن

في مطلع العام ١٩٨٨ م كانت الإنطلاقة حيث قمنا بتأسيس شركة مختصة في مجال صافرات الإنذار والتحذير. لتتوسع بعدها بقسم خاص لتجهيز السيارات الأمنية والعسكرية. وفي عام ١٩٩٢ م كنا أمام تحدي كبير يمكننا من تصفيح السيارات ضد الرصاص. وتصنيع الغرف المصفحة وسيارات نقل الأموال محلياً. لم نتوقف أمام التحديات لقد كبرنا وكبر الطموح فتوسعنا عام ٢٠٠٤ م بقسم خاص لتجهيز سيارات الإسعاف بأنواعها.

وتوالت الأفكار مع إزدياد الطلب وحاجة السوق أضفنا أقساماً خاصة لتصنيع وتجميع أوناش السحب الهيدروليكية. وبعد مرور أكثر من ثلاثين عام تمكنا من حجز مكانة مرموقة في مجال الأمن والسلامة حيث تعد شركة مصنع الأمان لأجهزة الإنذار والتحذير من الشركات السعودية الرائدة في المملكة العربية السعودية.
